

BAOSTEEL-AUSTRALIA
JOINT RESEARCH AND DEVELOPMENT CENTRE

The 2014 Round of BAJC R&D Fund is Open to Applicants

Under the agreement with Baosteel, we are pleased to open a 4th round of the **BAJC Research and Development Fund**. This program provides funding support for research projects to develop innovative technologies of interest to Baosteel. Total funding of approximately \$2-5AUD million may be made available in this round. The proposed project can be 1-3 years with an indicated funding for the 3rd year depending on the renewal of the Centre. Individual projects seeking a maximum grant of up to \$200,000AUD per year can be offered in this round.

Expressions of Interest (EOI) are now invited from BAJC partner organisations for project funding in the priority areas of resource utilisation, light metals (aluminium, magnesium, and titanium), new energy materials, and new steels and associated processes.

The deadline for EOI submissions is ***Thursday 17 April 2014***.

Further details of the program, funding rules and application forms (EOI Template) are available at <http://www.bajc.org.au/funding-opportunities>
