

BAJC News Highlights:

- The BAJC 2nd Conference was successfully hosted by the Baosteel Centre and Monash University on the Wednesday 22nd January, at the Monash University Clayton Campus. A Conference dinner was conducted in conjunction with the Conference for all attendees invited to celebrate a successful day of presentations – images included on the second page.
- The BAJC Project Reviews and Board/TAC meeting was also held to coincide with the Conference in Melbourne on the Thursday 23rd and Friday 24th January – with Monash hosting a VIP Dinner for Baosteel Executives and CI's on the Thursday evening.
- Project Review notification letters were distributed to those successful CI's of projects after reviews were conducted during the BAJC Conference.
- Round 3 Projects have now commenced for 2014
- Round 4 EOI Funding 2014 has now opened to applicants – documentation and details have been distributed to past participants and all BAJC contact lists that are eligible – additional documentation can be found on the BAJC website (www.bajc.org.au/forms-for-download).

BAJC Visitors:

- Professor Zhouhua Jiang from Northeast University, China visited the Centre from the 3-10 February to conduct project meetings and lab tours with project groups.
