

[The 2016 Round of BAJC R&D Funding is Open for Applications](#)

Background

Under the agreement with Baosteel, we are pleased to open the 2016 round of the **BAJC Research and Development Fund**. This program provides funding support for research projects to develop innovative technologies of interest to Baosteel. A maximum grant of up to AUD \$200,000 per year for a maximum duration of 3 years may be offered to each individual project in this round.

Application Process

The fund application follows a two-stage application process, with Expressions of Interest (EOI) and full Proposal. An EOI succinctly outlining the project proposal is invited to be submitted to Baosteel-Australian Joint Research and Development Centre (BAJC) in the prescribed 2015 [EOI Template](#) to admin@bajc.org.au by the due date below.

After the selection committee evaluation, highly ranked EOIs will be invited to submit full proposals for further evaluation processes.

Due Date

The deadline for EOI submissions is **Friday 8th May 2015**.

More Information

More information about the program, [funding guidelines](#) and application forms ([EOI Template](#)) are available at <http://www.bajc.org.au/funding-opportunities>
